### *A Message From Your Supervisor of Elections:*

As we close out the year, I want to extend my sincere gratitude to our community for your support, engagement, and trust in the work of the Supervisor of Elections Office. It has been a year of meaningful progress, strengthened partnerships, and continued commitment to ensuring that Seminole County remains a leader in election excellence.

This year, our team:

- Modernized internal systems and strengthened security protections to better safeguard voter information.
- Expanded community outreach through presentations, voter education programs, and new partnerships across the county.
- Launched new tools and resources to help voters stay informed, including the Ballots and Beyond newsletter and improved online services.
- Prepared key election infrastructure to ensure we are fully ready for the 2026 election cycle.

As we look ahead, I encourage all voters to take a moment to get election ready by updating your voter registration, confirming your vote-by-mail preferences, and staying connected with our office for important information and upcoming deadlines.

From our SOE family to yours, we wish you a joyful and safe holiday season. Thank you for being part of a community that values participation, transparency, and trust in our elections process. We look forward to serving you in the year ahead.

**Amy Pennock, CFE**

Seminole County Supervisor of Elections

# Are You Election Ready?

Make sure you are election ready for the 2026 Elections by ensuring your voter registration is up to date and requesting your vote-by-mail ballot, if this is your preferred voting method.

SEMINOLE VOTERS!**

## Have You Renewed Your Driver's License?

Under updated Florida laws, renewing or replacing your driver's license now gives you a new license number. To stay election ready, please make sure your new driver's license number matches your voter record. Updating this information is quick, easy, and important to ensure your voter record is correct. Updating your record now helps you avoid surprises later and keeps you ready to cast your ballot without any issues. Stay prepared and make sure you are election ready!

## Beyond the Ballot

### Your Supervisor in Action

Amy was invited to share insights with Girl Scout Troop 2021 from the Seminole Lakes Service Community in Citrus Council and helped the troop earn their Democracy Badge.

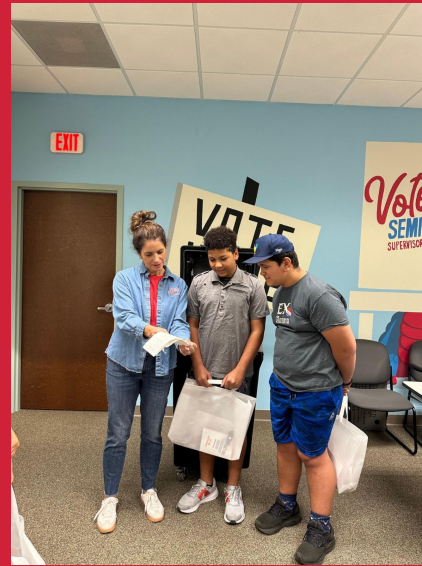

### Outreach Initiatives

Since our last edition, our team has been busy connecting with the community through a wide variety of

outreach events:

### Voter Registration Drives and Tours

- Hagerty High School
- Lake Mary High School
- Battle of the Branches
- Meals on Wheels
- Abba's Heart Homeschoolers

Plan Your Next Event with Us!

**Myth:** The Supervisor of Elections doesn't test their equipment before the election.

**Fact:** Florida State Statute 101.5612 requires **all** Supervisors of Elections to publicly conduct a logic and accuracy test prior to **each** election. The logic and accuracy test ensures that the voting equipment is correctly counting the votes cast for all offices and measures.

## Reminders and Resources
