A Message From Your Supervisor of Elections:

As your Supervisor of Elections, one of the greatest privileges I have is helping ensure every eligible voter in Seminole County has the opportunity to participate in our elections. I believe voting is one of the most meaningful ways we can have a voice in the future of our community, and I encourage everyone to make a plan to vote in this year's Primary Election.

Early Voting will be available **August 8–15, from 10:00 a.m. to 6:00 p.m. each day**, and you may vote at any Early Voting location in Seminole County.

Election Day is Tuesday, August 18, with polls open from **7:00 a.m. to 7:00 p.m.** On Election Day, voters must vote at their assigned polling place.

No matter how you choose to vote, I encourage you to take a few minutes to review your sample ballot, learn about the candidates and issues on your ballot, and make your voice heard. Every election is an opportunity to help shape the future of our community, and every vote matters.

Thank you for allowing me and my team to serve you. We are committed to conducting free, fair, and transparent elections while providing the excellent service you deserve. If you have questions or need assistance, we're here to help. Visit VoteSeminole.gov for polling locations, sample ballots, and important election information.

I look forward to serving you this election season and seeing our community participate in another successful election.

Check Your Polling Location

Before you head to the polls for the 2026 Elections, take a moment to confirm your Election Day polling location. Some precincts have changed, and your assigned polling place may be different than in previous elections.

Review the polling location chart or visit our website to find your assigned polling place. Knowing where to vote before Election Day helps ensure a smooth voting experience.

Reminder: The Supervisor of Elections Office is NOT a polling location on Election Day.
