A Message From Your Supervisor of Elections:

As we close the chapter on the 2026 Primary Election, I want to thank every voter who participated, our dedicated election workers, and our staff who worked incredibly hard to make Election Day a success.

But 2026 isn't over yet! We are already turning our attention to the **November 3 General Election**, and now is the time to make sure you are election ready. Check your voter registration, make sure your information is current, and if you plan to vote by mail, get your request in early.

The General Election registration deadline is **October 5**, the Vote-by-Mail request deadline is **October 22**, and Early Voting runs **October 19 through November 1, from 7 a.m. to 7 p.m.**

Election Day will be here before we know it. Whether you vote early, by mail, or on Election Day, make your plan now, and encourage your family, friends, and neighbors to do the same.

Our community. Our county. Your vote. Your future.
