A Message From Your Supervisor of Elections:

Seminole County is preparing for the **November 3 General Election**, and whether this is your first time voting or you've voted for decades, now is the time to make your plan.

The **voter registration deadline is October 5**, and **Vote-by-Mail requests must be received by October 22**. **Early Voting runs October 19 through November 1**.

Visit VoteSeminole.gov to find Early Voting locations, confirm your Election Day precinct, and view your sample ballot.

As we mark 250 years of our nation's history, I'm reminded that generations have worked to protect our right to have a voice in government. As your Supervisor of Elections, my responsibility is to ensure every eligible voter has the opportunity to cast a ballot in an election that is secure, accurate, and transparent.

I encourage you to check your voter information, make a plan to vote, and help your family, friends, and neighbors do the same. Whether you vote by mail, vote early, or vote on Election Day, your participation matters.

When the election is over, we will still be neighbors. We may have different opinions, but we share a commitment to making Seminole County a great place to call home. Let's carry that spirit of respect and community with us through this election season and beyond.

Our community. Our county. Your vote. Your future.
