Canvassing Board Members: County Judge Cassandra Buie (Chair), County Commissioner Andria Herr, County Judge James DeKleva (Alternative Member), Paul Partyka (Alternative Member) and Supervisor of Elections Amy Pennock.

Following the test of the voting equipment and automated independent audit system and the initial canvassing board meeting: 1.) Vote-By-Mail (VBM) ballot opening and processing will continue daily as needed to completion. 2.) VBM, early voting, and election day ballots will be scanned into the automated independent audit system daily as needed to completion. No results will be released until after the polls close on November 3, 2026 (F.S. 101.5614). Should it be necessary to amend this schedule, a notice will be posted at VoteSeminole.gov.

If any elector or candidate present believes that a VBM ballot is illegal due to a defect apparent on the voters certificate, he or she may, at any time before the ballot is removed from the envelope, file with the canvassing board a protest against the canvass of that ballot. Unopened ballots will be available for public inspection half an hour before each opening. Should you want further information about daily vote-by-mail opening dates and times, please email elections@voteseminole.gov.

Pursuant to F.S. 101.572(2), the Supervisor of Elections will provide reasonable access to ballot materials for inspection by a candidate, political party official, political committee official, or an authorized designee thereof, before canvassing or tabulation. Specific requests should be addressed to the Supervisor of Elections by email at Pennock@voteseminole.gov, or by phone at 407-585-7712.
