A Message From Your Supervisor of Elections:

THANK YOU

As we close out another election, I want to simply say **thank you.**

To the voters of Seminole County, thank you for the trust you placed in me and in our office to administer this election with accuracy, integrity and transparency. That trust is something I never take for granted. Our team understands the responsibility that comes with every ballot cast, and we remain committed to ensuring every eligible voter has the opportunity to make their voice heard.

To our incredible election workers—thank you. You are truly the heart of Election Day and Early Voting. You trained, showed up early, stayed late, welcomed voters and helped make the entire process possible. We simply could not conduct an election without you.

But elections are bigger than any one office or team. Thank you to the candidates who stepped forward to serve, the volunteers and organizations that helped educate and engage voters, the community partners who shared important election information, and everyone who helped spread accurate information through conversations and social media.

And one of my favorite sights throughout this election was seeing our **future voters** come to the polls with their parents and families. They may not have been able to cast a ballot yet, but they were

watching, learning and experiencing the process firsthand. That matters.

An election is truly a community effort. From the people working behind the scenes to the voters walking through the doors, every person plays a part.

On behalf of the entire Seminole County Elections team, **thank you for your trust, your participation and your support.** We are proud to serve this community, and we will continue working every day to earn your confidence.

One election may be behind us, but our work continues—and we look forward to serving you in the next one.

Amy Pennock, CFE
Seminole County Supervisor Of Elections

Voter Turnout

I'm grateful to our staff and election workers for the time and care they put into the 2026 General Election. From Early Voting through Election Day, they helped voters across Seminole County make their voices heard.

So far, 196,907 ballots have been cast, bringing turnout to 57.35%. That's 13,091 more ballots than in the 2022 General Election, when turnout was 53.8%.

To every voter who participated and every election worker who served: thank you.
